PROMISE AGREEMENT

For years, Realtors and Industry Professionals have chosen to refer their clients, family and friends for Property Management to Pink Door Management more than anyone else.

Scates Realty & Pink Door understand the value that each client is to the Realtors and we make sure to protect and nourish that relationship. Our promise to the Realtor is:

- ✓ To protect and honor the relationship.
- ✓ To never sell, rent or give out sensitive and private information to anyone.
- ✓ To refer your client back to you when the time comes to sell their property or purchase another investment.
- ✓ To keep confident all disclosed information regarding your client and their property.
- ✓ To never refer them to another agent, regardless of their request.

Our promise to you as their Realtor are not just words. We stand firm in our commitment to be honest and ethical in all we do - so much so, that we are willing to put it in writing for you!
